Improved Terms for Other Collateral Loans

The next time you are in the market for something to spruce up your home or make your free time more enjoyable we hope you will give Energize Credit Union's (ECU) other collateral loans a look. We finance a variety of items in this category including lawn and garden equipment, ATV's and cycles, boats and motors, trailers, and recreational vehicles.

At ECU's board of directors meeting in September the board voted to expand the other collateral loan terms up to 84 months dependent on the value of the collateral. Refer to the chart below for more details.

ECU's other collateral loans come with an interest rate as low as 7% and the amount available for financing is based on the value of the collateral.

If you are interested in learning more about our other collateral loans speak with your local credit union director or contact Energize directly at [405-478-0046](tel:405-478-0046) or admin@energize.coop.

Getting to Know... Lisa Dailey

What do you do at Energize?

I am the manager of Energize Credit Union and like most managers of small organizations I do a variety of things. On any given day you can find me working on accounting and finance related tasks, prepping for an upcoming board meeting, or working out the details on a new project. I love that my position provides variety, so I am not doing the same thing each day!

What energizes you at work?

I get excited when a general ledger account is out of balance, and I locate the problem and bring it back in balance. I know that could be the nerdiest thing you have ever heard, but it's the truth.

I also love working on various projects such as the newsletter and website redesign, member feedback survey, re-branding, adding features to the mobile app, etc. These projects all give me a chance to expand my knowledge and skills in new areas!

Who makes up your family and where do you live?

My family relocated last year to Blanchard. My husband, Kirk, and I have been married for 19 years. Our son, Hayden is a freshman, and our daughter Lakelynn is in kindergarten at Bridge Creek Schools.

What would we most likely find you doing on the weekend?

I love spending time outdoors. Depending on the time of year, it can be sitting on the back porch, swimming, at the lake, attending high school or OU football games, etc. Also, doing less glamorous chores such as grocery shopping, cleaning house and doing laundry. A clean house really does help me feel calm and focused.

What book are you reading now?

I have around a 35-minute commute to the office, so I listen to 3-4 audio books a month. Currently, I am listening to Shoe Dog: A Memoir by the Creator of Nike by Phil Knight. I love non-fiction books! This month I have also listened to The High Five Habit by Mel Robbins and The Hard Thing About Hard Things by Ben Horowitz. My favorite audio books are when the author reads the book themselves.

5-STAR ENERGIZE CREDIT UNION
WHERE MEMBERS MAKE GREAT OWNERS

FACT... Oklahoma has 200 man-made lakes. No other state has as many.

We love Cooperative visits. This past quarter Energize staff members were welcomed by Canadian Valley, Kiamichi, and Central Rural Electric Cooperative. *Thanks for letting us visit your Coop!*

OUT & ABOUT

Energize Credit Union loves any chance we get to be out & about serving members and the community. This past quarter we were spotted at Shoot for the Nations and the OSU career fair!

Verification of Accounts

The supervisory committee recently distributed a notice to all members, requesting you to verify that the balances listed on your monthly statement are accurate.

If you did not receive your statement, or if you find discrepancies on the statement, please contact the supervisory committee at:

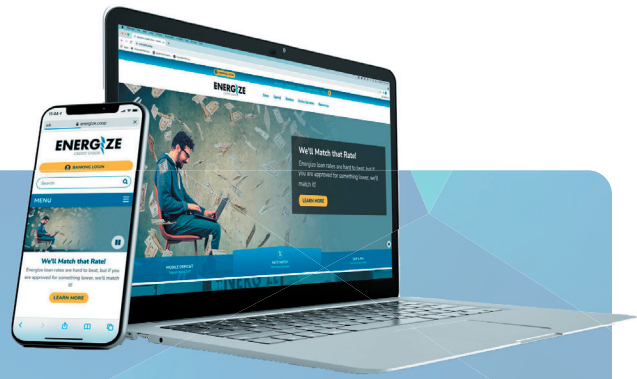

Tommy Partain, CPA
PO Box 7548
Amarillo, TX 79114

AND THE WINNER IS...

- We are happy to announce that Sheri Wyant is the winner of the the \$100 VISA gift card in the member feedback survey giveaway! Thank you to everyone who took the time to participate. We value your input!
- The results of the survey will be shared with the Energize board of directors and help shape future decisions or initiatives of the credit union.

Energize Website Gets New Look

- In late September Energize Credit Union unveiled a refreshed website. With this website redesign, we sought to make the site easier to navigate by making it mobile friendly. We also sought to make it more reflective of our membership through the imagery used.
- Our refreshed website presents improved financial calculators, links to money smart games, more detailed information about our loans and savings products as well as our online services.
- We would like to thank our board members who provided cooperative photos that really helped our design come alive.
- We encourage everyone to view our new site and provide us feedback. If there is anything you'd like to share, email us at admin@energize.coop.
