Getting to Know...

Ashton Block

What do you do for Energize?

I am the member service representative for Energize. I assist new members in opening accounts, getting their debit cards, and familiarizing them with our online banking. I am also here to help answer any variety of questions you may have.

What energizes you at work?

Members energize me. I love connecting with members from across the state to service their financial needs and wants.

Who makes up your family and where do you live or grow up?

I live in Harrah, OK with my husband Joseph, bonus daughter Paislea and son Waylon.

What's one of your favorite memories from the past year?

My favorite memory from the past year was seeing my baby boy for the first time.

What's the best advice you were ever given?

Wake up with a smile. Every day is truly a gift and blessing that we take for granted. My husband reminds me of this especially when I'm running late.

What's the weirdest food you've ever eaten?

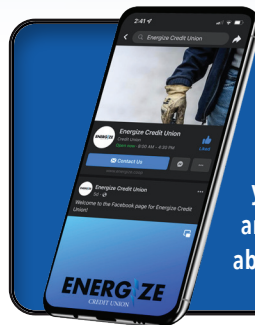

Probably squirrel my husband grilled.

If you could only eat one item for every meal for the rest of your life, what would it be?

Hands down, Mexican enchiladas, Mexican rice, guacamole, salsa, and a big bowl of queso.

Have you ever met anyone famous?

Jack Ingram (Devin Whittington and I were at a concert, and I got to hop on stage to "sing".)

WHERE MEMBERS MAKE GREAT OWNERS

The first Girl Scout Cookie was sold in Muskogee in 1917

Out & About

WE LOVE COOPERATIVE VISITS. This past quarter Energize staff members were welcomed by Northwestern Electric Cooperative as well as Pioneer. Thanks for letting us visit your Coop! Energize also had the opportunity to serve our members at the Out of the Gate legislative event at OAEC.

Certificate of Deposit (CD) Jumbo Bonus

Sometimes financial terminology can be confusing. Below we breakdown greater return opportunities available through jumbo CD's.

What is a jumbo CD?

It is identical to a regular CD, except it requires a higher minimum opening deposit.

What minimum deposit does Energize require for a CD to be considered a jumbo CD?

\$50,000

What bonus does Energize offer for jumbo CD's?

We offer an additional 5 basis points for CD's over \$50,000 & an additional 10 basis points for CD's over \$100,000.

What is a basis point?

A basis point refers to one-hundredth of a percentage point. For example, the difference between 3.75% and 4.00% is 25 basis points.

5-Star Energize Credit Union Proves it Has What it Takes

Oklahoma City, OK - January 2023:

BauerFinancial, Inc., the Nation's Premier Credit Union and Bank Rating Firm, has once again awarded Energize Credit Union its top (5-Star) rating. "It's important to impress, this award is not granted; it is earned", emphasizes

Karen Dorway, president of BauerFinancial. "Energize Credit Union has earned Bauer's top rating continuously for 20 consecutive quarters.

Bauer rates every federally-insured credit union with the same strict standards, and is pleased to report that Energize Credit Union continues to excel among its peers in areas of capital adequacy, loan quality and more. This marks the 20th consecutive quarter it has done so - since March 2018! Now that's worth celebrating. Energize Credit Union has certainly proven it has what it takes to carry it through 2023, whatever it may bring.

"With the Federal Reserve raising interest rates at breakneck speed, it may be tough for some institutions to keep pace", cautions Dorway. "But, with high capital cushions and an established track record, Energize Credit Union is well-positioned to continue to thrive and be a source of strength for its membership."

Energize Credit Union was established in 1967 and has been a rock-solid partner for its members ever since. That's 56 years of relationship-building and bond-strengthening. Everyone within its Field of Membership (FOM) should be proud to call Energize Credit Union their credit union.
