Emergency Generator Loan

ENERGIZE CREDIT UNION announces a new Emergency Generator Loan to help those Members who need emergency power generation. Recent ice storms have emphasized the need for alternate power availability. Energize is proud to assist its Members with a very low 3.00% Annual Percentage Rate loan over 60 Months and up to \$4,000. This new Loan compliments the existing Tornado Shelter Loan that Energize has provided its Members.

Founded in 1967 as a member-owned financial cooperative, Energize Credit Union serves over 3,100 Members at Electric and Telephone Cooperatives of Oklahoma. For more information on Energize or services, please visit www.Energize.coop.
