## **Energize Credit Union 5-Star Rated**

**September 2018: Coral Gables, Florida, BauerFinancial, Inc., the Nation's Premier Bank and Credit Union Rating Firm**, proudly affirms that **Energize Credit Union, Oklahoma City, Oklahoma** has earned its highest (**5-Star**) rating for financial strength and stability. Earning a 5-Star rating indicates this credit union excels in areas of capital adequacy, profitability, asset quality and much more.

"This achievement requires tremendous resilience and fortitude," observes Karen Dorway, president of BauerFinancial. "We saw a lot of financial institutions that were lacking those qualities that are, unfortunately, no longer around. But credit unions, like Energize Credit Union, have some definite advantages. The field of membership allows the credit union team to know each member more intimately, which not only makes *every* member a priority, it also improves loan underwriting."

Energize Credit Union has been making its members its number 1 priority since 1967. Today, after 51 years, it is creating a better banking experience for members through its conveniently located office in Oklahoma City and online at [energize.coop](http://energize.coop).
