Dear JANE BORROWER,

In a recent audit of our files we did not find a current insurance policy. It is important you have insurance to protect your collateral in the event of damage or theft. Your finance contract requires you to carry insurance until your loan is paid in full.

Our records must contain a copy of your insurance policy which shows:

- Comprehensive and collision (fire and theft)
- Our name in the space for loss payee or lienholder
- The collateral used to secure your loan

If you do not have insurance, you may obtain insurance from any agent you choose. For your convenience, detach the bottom portion of this letter and send to your agent. If you do not have insurance or do not furnish us a copy, it may be necessary for us to obtain a policy for you. The effective date will be 10/3/2022 12:00:00AM. The premium cost and finance charges will be added to your loan. If you have any questions, you may call 405-478-0046, Monday through Friday, 8 a.m. - 3:30 p.m. For your convenience, visit our web address at <https://www.energize.coop>.
